**MDM HALIMAH YACOB
THE PRESIDENT OF THE REPUBLIC OF SINGAPORE
PATRON OF SIAN CHAY MEDICAL INSTITUTION AND
FORMER SPEAK OF PARLIAMENT
ENCOURAGED AND PRAISED MR. TOH SOON HUAT
DURING THE INTERVIEW BY THE CHANNEL U PROGRAMME
“MOVE ON” ON 30TH AUGUST 2017**

Mr Toh Soon Huat is such a wonderful person. I've never met anyone with that amount of energy, that amount of resolve and that amount of empathy. We were just discussing it a few months before that and within less than a year, he was able to set up a TCM centre in Marsiling. A very passionate, committed and dedicated person. It's very difficult to find someone with this kind of qualities and I hope that he will continue to take the helm of Sian Chay for many years and continue to do great work for the community. It's not easy, he has to do fundraising and not only that, he personally comes down to make sure that the renovation works are properly done. So, that requires a lot of dedication and sympathy.

卓顺发先生是个杰出优秀的人。他充满热忱和活力，具有过人的精力和恻隐之心。我们刚刚谈到要在马西岭区设立一个分社，他就在一年内，把马西岭的分社设立起来。他是一个很有热情，非常投入和具有奉献精神的人。现在已经很难找到具有这种素质的人了。我希望他能够继续为善济做出贡献，为这个社区做出最棒的工作。他不仅仅是筹募善款而已，他会亲临分社，确保装修工程进行顺利。卓顺发绝对是一个尽职尽责，具有同情心和奉献精神的领导者。
