今天我们称赞新生的力量，因为他们可以带来未来的无限可能。青春、热血、爱心、阳光……这一系列的美好词汇都是因为他们而美丽，展现了一个国家未来充满向上的不竭动力，他们是站在前人的肩膀上望向未来的人们，国家的未来也必然站在他们的肩膀上，走向美好，他们必将把人类的文明带向更加美好的明天。

爱心需要的是善的凝聚，爱心需要的是对未来美好一切的向往，并相信未来的一切可能性。今天我们相聚在这里，是一颗颗稚嫩的心坚定的选择，是一张张稚气的脸上所折现出更加繁荣的未来。善济医社自 1901 年以来一直服务社区，秉着以慈善为乐的精神，为有需要帮助的人伸出援手。善济的价值观“宽容、大爱、慈悲、感恩和祝福”是善济医社爱的方向。感谢善济医社为社会所奉献的力量。

Today we commend the energy of the new generation because they can bring infinite possibilities for the future. From them, we have a set of beautiful vocabulary, “young, passionate, loving hearted, sunny...” filled with endless positive energy of a country's future. They are the people who inherited from their predecessors and look to the future. On their shoulders, they carry on the human civilization to a better tomorrow.

What love needs is the synergy of kindness, the strive for the brilliant future, and the faith in all future possibilities. Today we are gathered here, with a tender heart and a determined choice. And we will certainly see a more prosperous future in these young faces.
