Dear Mr Toh,

DONATION TO THE INVICTUS FUND

On behalf of the National Council of Social Service (NCSS), I would like to express my appreciation to Sian Chay Medical Institution for your strong support of our social service agencies during the COVID-19 pandemic.

2 Your generous donation of S\$1million through the Community Chest to The Invictus Fund will go a long way in ensuring that our social service agencies can continue to provide essential services safely to the vulnerable in our community.

3 I am especially heartened that Sian Chay Medical Institution, an IPC charity itself, has extended help to other social service agencies in this time of need. It is with this spirit of selflessness and unity that we will emerge stronger together.

4 Thank you for journeying with NCSS to make a difference in the lives of vulnerable individuals and families.

Yours sincerely

Desmond Lee
